

WCS Officials Announce 2012 Schedule, Payouts And Rules Update

By Ryan Pearson

Orrville, Ohio-(November 2, 2011) With the 2011 racing season recently coming to a close Wayne County Speedway Officials have been busy working toward the 2012 season.

WCS staff have recently put the final touches on the 2012 payouts in all the racing divisions, compiled a tentative 2012 schedule and made one rule change in the Pure Stock division. “We are excited to release our tentative 2012 schedule. Yes, we will be racing mostly Fridays next year. We gave the fans what they want” stated General Manager Jason Flory. “They support us, so it is our turn to give back to them. We feel our weekly show is second to none and to top it off we have added the All Star Circuit of Champion Sprints, World of Outlaw Late Models and Buckeye Outlaw Sprint Series to our schedule to give all fans something to look forward to next year” Flory continued. 25 racing dates have been scheduled with opening night beginning on April 20th and racing concluding on October 6th. Highlights include annual Sprint Speedweek show with the All Star Circuit of Champions on Monday, June 25th, The World of Outlaw Late Model Series making their first appearance at WCS in several years on Friday, May 25th, on Sunday, September 2nd the All Star Circuit of Champions returns to WCS and rounding out the year the highly anticipated Buckeye Outlaw Sprint Series wraps the season up on Saturday, October 6th.

“We are not done with the schedule” stated Flory. “We feel we have enough put together to go ahead and release what we have. We are looking to add a few more things and might have a few more surprises in store.”

For the 2012 season the overall payout received nearly a \$4,000.00 increase spread throughout the Sprints, Late Models and Pure Stocks (WCS is sticking with the Tri-State Modified \$800 to win payoff) division. “We have increased our payouts and we think the drivers will appreciate that. We feel our racers do a tremendous job” stated Flory. “We want that to continue and we want to reward them for helping us make Wayne County Speedway number one.”

The only rule change for the 2012 season at this time is in the Pure Stock division. Racers will now be allowed to run gas four barrel carburetors. “We are working on putting together a partnership with some other race tracks. We want to get our rules in line with theirs (other tracks) to promote our drivers running at different tracks on Saturday nights” Flory said. “Again, I think our drivers will like what we are trying to do as we work with other area race tracks and give back to them.”

For additional information contact Jason or Kristin Flory at: 330-465-2365, or email at kristinu2@yahoo.com. For news, updates and schedule visit the Wayne County Speedway website at www.waynecountyspeedway.com. Wayne County Speedway is located nine miles east of Wooster, or

15 miles west of Massillon on US Rt. 30, then one mile north on Carr Road.
