General Manger Jason Flory recently finalized two All Star Circuit of Champions Sprint Speedweek dates the first being on Saturday June 23rd and coming back on Monday June 25th. “We are happy to announce our All Star Sprint Speedweek dates.

After getting started late last year and not having a Speedweek race it is good to be able to give this to our fans” stated Flory. “The All Stars do a great job and to bring in those racers, staff and officials; our fans will be treated to two great shows.” Other divisions racing on Saturday the 23rd is yet to be determined. Racing with the Sprints on Monday June 25th will be Super Late Models.

The All Star Circuit of Champion Sprints will be returning Sunday September 2nd for our Labor Day weekend sprint special. The 2012 season schedule is nearly complete and ready to publish. “We have made a few additions to our schedule; things our fans have asked for and we stepped up to the plate and delivered.
