

Hiland FFA Members Attend Greenhand Camp

Six members of the Hiland FFA chapter spent the weekend of September 25th through 27th at Greenhand Camp. The three day camp was held at FFA Camp Muskingum, in Carrollton, Ohio. Members of the Agriculture 1 class who attended camp are Emily Aleshire, Whitney Hottle, Earl Boyles, Chris Keim, Taylor Neuenschwander, and Andrew Eichel. Campers interacted with state FFA officers in leadership and goal-setting workshops. FFA members were encouraged to set goals and then taught how to successfully accomplish their goals through their experiences in the FFA. In their free time campers enjoyed fishing, canoeing, kayaking, touring Leesville Lake, paintballing, shotgun and rifle ranges, athletics, and more. Campers also challenged themselves to team-building activities in Adventure Valley. Each night students had a campfire to reflect what they learned that day. On the last night of camp students enjoyed an outdoor dance. Camp was a great time and everyone is already looking forward to going back to summer camp in June!
