Farmers and Hunters Feeding the Hungry was founded in 1998 by Rick Wilson, a Hagerstown, Maryland Art Teacher. FHFH provides processing fees for Christian Mission Network of Brothers, Venison processors and non profit food charities throughout the United States. Currently in Ohio there are 31 chapters. Last year in Ohio there were 1,192 deer processed providing 57,989 pounds or 231,956 servings. Last year 1,000 pounds were delivered to The Love Center in Millersburg. FHFH has established a new chapter specific to Holmes County. The new Holmes County Chapter will be headed up by Dustin Taylor of Millersburg. Currently, the Ohio Division of Wildlife is matching gifts to State of Ohio chapters on a dollar for dollar basis. If you contribute to the Holmes County chapter an additional matching contribution will be made to the Holmes County account by the ODNR. Money raised will stay in Holmes County to pay processing fees for venison that will be used in Holmes County. For more information on FHFH please check out FHFH.org.
